

# IN-SPEC AND UP TO SPEED

## URETHANE MODULAR SCREEN PANELS

With our expanded production facilities, Durex Products once again offers a complete line of modular urethane screen panels and accessories — including Classic, 2K, Knock-in-Bar, and P-Pin styles.

## TAPERED DESIGN

Durex modular urethane panels feature tapered openings that are wider at the bottom. This advanced design reduces plugging and increases throughput.

Tapered design

Other brands tend to plug

# DESIGNED AND BUILT TO MATCH YOUR UNIQUE APPLICATION

Specialized polymer formulas, combined with our experience in precision, opencast manufacturing processes, result in urethane screening products that provide unmatched quality and performance.

Our urethane screen media and liners deliver outstanding efficiency and wear life in even the harshest conditions.

## URETHANE LINER SOLUTIONS

Ask us about our specialized urethane formulas for custom, cost-effective liner solutions, designed specifically for high-wear, abrasive, static, and vibratory applications. We offer magnetic and bolt-on urethane liners for cross supports, shafts, crusher mainframes, feed and discharge chutes, sides liners, and more.
